Papers Submissions:
Authors are invited to submit papers in PDF format (templates are available on the Conference website) by submission system. Experts will review all submitted papers considering the criteria of originality, scientific merit and relevance to the conference topics. Accepted papers will be published (up to 4 pages in length) in the Conference Proceedings.
Selected papers will be sent for publishing in journals (as a special issue) indexed in Scopus.
The conference program will include presentations, along with prominent keynote speakers and thematic workshops.
All sessions will be held in a hybrid mode: on site and online (links to online sessions will be sent out a few days before the conference to all registered participants).
